

## How Far I'll Go

### *Moana*

I've been staring at the edge of  
the water

'Long as I can remember, never  
really knowing why

I wish I could be the perfect  
daughter

But I come back to the water, no  
matter how hard I try

Every turn I take, every trail I  
track

Every path I make, every road  
leads back

To the place I know, where I can  
not go, where I long to be

See the line where the sky meets  
the sea? It calls me

And no one knows, how far it  
goes

If the wind in my sail on the sea  
stays behind me

One day I'll know, if I go there's  
just no telling how far I'll go

I know everybody on this island,  
seems so happy on this island

Everything is by design

I know everybody on this island  
has a role on this island

So maybe I can roll with mine

I can lead with pride, I can make  
us strong

I'll be satisfied if I play along

But the voice inside sings a  
different song

What is wrong with me?

See the light as it shines on the  
sea? It's blinding

But no one knows, how deep it  
goes

And it seems like it's calling out to  
me, so come find me

And let me know, what's beyond  
that line, will I cross that line?

The line where the sky meets the  
sea? It calls me

And no one knows, how far it  
goes

If the wind in my sail on the sea  
stays behind me

One day I'll know, how far I'll go
